

The screenshot shows a digital repository interface for **polibatam**. At the top, there's a header with the logo, navigation links for "Communities & Collections" and "All of Repository", and a search bar with various icons.

The main area is titled "Your submissions" and displays one item:

- Workflow Item**: **Sistem Kontrol Pada AMR**
- (Politeknik Negeri Batam, 2024-08-19) Nasrialdi, Fajar; Toar, Handri
- Abstract— Autonomous mobile robot adalah robot yang mampu bergerak secara mandiri (tidak selalu membutuhkan perintah). Sistem kontrol menjadi bagian
- [View](#)

On the left, there are filters for "Status", "Type", and "Date", and a "Reset filters" button. The status filter is currently set to "Your Submissions".

At the bottom, there's a taskbar with icons for File Explorer, Edge browser, Mail, Google Chrome, Word, and File Explorer, along with system status indicators like battery level and signal strength.
