ANALISIS PENERAPAN FITUR UNIFIED THREAT MANAGEMENT (UTM) FORTIGATE SEBAGAI FIREWALL UNTUK MENINGKATKAN KINERJA JARINGAN DENGAN PEMBATAAN AKSES APLIKASI SOSIAL MEDIA DAN PLATFORM STREAMING PADA PT. SANIPAK INDONESIA

(Politeknik Negeri Batam, 2024-06-10) Hastuti, Dessy Nur; Triwinarko, Andy

In the era of open internet connectivity, enterprises are faced with increasing security threats in the digital world. Therefore, protecting sensitive data and network performance are top priorities to achieve optimal operational performance. By
